Yeah, I'm sure Lolli's butt didn't jiggle much while she was getting it from behind!

All through high school I was way chubby; it was gross. I mean, my thighs were all jiggly and my belly was like blubber. Of course, everybody made fun of me and I didn't have any friends. But I started working out when I was 18 and pretty soon girls were talking to me and boys were looking at me! Then Nate, the cutest guy in Chem, asked me out. By the time I was 18-and-a-half I was all buff and Nate and I were totally together. And I mean *totally*, like he popped my cherry right on my 19th birthday. From *behind* even! I was kinda scared at first but it was totally hot, 'cuz he could see that my butt was all tight (like my pussy!)

HOTHOUSE

My mom always rags on me to help pay the bills, so I have to work all the time. Bummer. But, now I'm working at this greenhouse and it's the best ever. Even though it's pretty hard work, all hot and humid and stuff, it's okay because I love girl things like flowers and gardening and all that.

But, there's another reason I like it. See, right away I noticed this guy, Raoul looking at me. Like, I'd be watering the African Violets and he'd be staring right through my sweaty dress, like at where it was clinging to my boobies, but lower, too. It was like he could see right through to my panties and I swear he could practically smell my hot pussy.

I knew he totally wanted it. And you know what? Even though the only sex I'd ever done was a blowjob, I wanted it, too. I was totally ready for Raoul to pop my cherry, even though we'd never even talked or anything (well, duh, he doesn't even speak English!)

So this one day we were in the back room sweeping up. He was so close I could smell his sweat from working with the dirt and plants. So, fuck it, I just went right up and pressed my nips up against his shirt. I could feel his dick all hard underneath his jeans so I was pretty sure something was gonna happen and it did. Real fast, too!

He didn't even kiss me or anything, just grabbed my tits and squeezed. And then all of a sudden his hand was in my panties and his finger was up my snatch! I should have been pissed, but my pussy was melting and when he pulled his finger out and slid it up to my clit I almost fell down. Only I couldn't, because by then he'd turned me around, pushed me up against the Zinnia table and started rubbing his dick – which was already out of his pants! – on my slit.

I pushed my butt into his crotch because it felt so good, but I wasn't ready for what happened next; he just stuck his dick all the way up my cunny! I could hardly breathe at first, but then his finger, all dirty and greasy (from my cunny!) was diddling me. He totally knew how to do it because it only took a minute before I was trying not to scream while I creamed. No shit!

When I was done freaking out I grabbed hold of his slick balls and squeezed 'em while he rammed me and pretty soon he was grunting and spooging at the same time. The Zinnias were flying off the table because he was pumping so hard and my pussy was drooling jizz. Gosh, we were all sweaty and dirty and it would have been so gross if it hadn't been so fucking hot.

Afterward I taught him two English words: "Fuck me!" So now he can ask for it...and so can I!

EXCELLENT EXCHANGE

I came to your country this summer for exchange with your American student. I stayed three weeks with a family who was very nice. They made good food and we did fun things. Once we went up to the, um, mountains? And rode horses. That made me hurt next day!

But the best part of America was not the horses or the thing where you run around and shoot each other with, um, lasers? It was the boy in the family where my best friend from Germany stayed. I saw him, Scott, many times and first time I said to myself, "He is so cute!"

He liked me too, he would sit very close on the couch and once he was tickling my leg under the dinner table. All the way from my knee to my sex. It made me so excited! That was the night when the mom and dad went away and left the four of us to watch movies. Only Scott and I did not watch! We went into a bedroom and did very fun things.

See, even though I have boyfriend in Freiburg, I still am, um – what do you say? – wanting sex. And Scott, too. We started by kissing very much, but then he was kissing my, um, breasts? And then down lower, kissing my sex! I have never had a boy do that but it felt very good. Scott even licked my ass, which was very naughty but made my sex so excited!

Then he was going to put his man thing inside of me, but instead he was pushing on my ass! At first I said, "Nein!" But then a little of his thing was in and I liked it very much, as much as real sex, even. He kept putting more and more in and it made me so excited that I began to touch my sex, which I never have done in front of my boyfriend.

But it felt better that way, and soon Scott's man-ness was all the way up me. Then he was doing the in and out and my sex was so excited that I – how you say? – got shivers and did the thing. The excited thing. Scott was very happy when I did and he grabbed my bottom and did it even harder. I could not believe that my behind could do that! It was very tight and squeezed Scott's thing so hard that he finally did the excited thing, too, and his, um, creamy juice, was going into my butt very fast. Lots and lots, more than my boyfriend, and it was so good that I got shivers *again*!

We did the same thing another time and when I go home I was very sad to miss Scott. But now I touch my behind while I do my sex and think of him. Every time I shiver and am excited very good. Perhaps I will show my boyfriend how to do my asshole, too!

Yeah,
Dani's stuck up,
but apparently a
lot of dicks get
stuck up her
cunt, too!

Don't ya think I'm hot? Every single guy at school thinks so and the girls are all so jealous that they hate my guts. Like I give a shit. I hang with the guys and of course I get to choose who I do it with. But I don't fuck just anybody. Like, they have to be able to keep up with me. Stoners are too fucking lazy and Goths are all pale and skinny. Gross! But the jocks have hard bodies (and hard cocks!) and they can go for hours. Plus, they like hot girls and they take one look at me naked and practically cum all over themselves. Then they fuck me real hard, which is totally the way I like it!

RAINY

I don't believe in fucking around when it comes to sex. Wait, I guess I do believe in fucking around! Whatever. I figure I got one cunt and one asshole and I might as well use 'em. Shit, I'll even do both at once. Like, I've got this fuck-buddy, Tony, and his friend wanted to do me, too. I told 'em to bring it on. First Tony lubed me up and poked it to my ass while his buddy stuck his boner down my throat. But then they wanted to do me at once, like DP, you know? Holy shit, it was like I was gonna explode when I came with their dicks wedged all the way up me! But when they both blew their wads? Fucking awesome!

A dick
up each hole?
Ally really doesn't
fuck around when
it comes to
fucking!

I haven't let boys touch my privates yet because my mother tells me it is very bad. But my friend says it has a lot of pleasure. She says I should try sex things and asked if I ever touch myself. No! But she told me how and I was very red in the face, but it made me, you know, happy down there! So I went home and I found my button first. Oh, my! Then I put my finger in my hole. It was very warm. I touched my button again until I was so happy that I got jerky and had tingles all over. It was so good that now maybe I will let a boy do sex things to me, too!

Soon, some boy will be very happy to make tingles in Emi's little virgin pussy!

Senior Scrapbook

by Jenna Thompson

I've always been the "smart" girl. The one who stays home studying on Friday night instead of partying. It's not like I don't get asked out. I'm 18 years old with long dark hair, nice round tits and a tight little ass that looks great in jeans, and the guys sure notice that. Problem is, the guys my age bore me blind within five minutes.

All guys aren't that way, though. There's this guy Cal that works at the university library that I've been flirting with for months, and last Saturday, we did a lot more than that! I was supposed to be doing research for my senior project, but decided I'd rather study something more interesting.

"Can you help me find these books?"

I leaned over counter to hand him my research list, making sure he got a good look down my blouse. When he looked up from my tits and smiled, I felt this funny little flip in my stomach. Cal is really cute, with these nerdy sort of glasses that don't quite hide his incredible blue eyes. I didn't really need his help, but I wanted the chance to talk to him alone.

"The system here is so confusing," I said, leaning further over the counter. "Do you have time to help me?"

"Sure," he said with another glance at my tits. "My shift's about over. Gimme a minute and I'll be all yours."

All mine? Just what I wanted! The library is huge, six floors of high shelves, hidden study desks, lots of dark, quiet places. Pretty soon, I was sitting in a study carrel with him the chair, and the small stack of books we'd gathered just sitting untouched while we talked.

I'm not sure what got into me, but you know, even smart girls get horny sometimes! I just kept flirting and touching him, toying with the buttons of my blouse while we talked. Cal gave as good as he got, and let me tell you, all those years of chastity took a powder when he took my swinging feet in his hands, placed them on the outside edges of his chair, and scooted in close to the table, pretty much hiding me from sight unless someone came right up behind him.

"You had enough studying for the night, Jenna?" he asked, sliding his hands up my legs, but stopping just under the hem of my skirt. My panties just got wetter when he did that, and I all I could do was nod and squeak, "Yes."

Cal smiled and slid his hands higher, pushing my wool skirt up along with it, then stopped, just teasing my inner thighs with his thumbs. His fingers brushed over the white cotton covering my pussy. I was breathing pretty hard by then, and leaned down to kiss him. His lips were warm and soft, and when his hand cupped my pussy and squeezed, I just kissed him more hungrily. I felt his hands sliding along my hips, and lifted when he

tugged my panties down and off.

He broke off the kiss, leaving me gasping and blushing like crazy when I realized he was looking right between my thighs. His fingers brushed lightly over little bush of dark hair, then down over the puffy lips.

"Have you ever done this before, Jenna?" he asked, teasing my opening with his fingertip, then sliding it slowly into me. I shook my head, and he just smiled and flicked his thumb over that sensitive little nub, making me forget all about breathing.

Then he leaned in and I felt his tongue sliding along my slit, starting at the bottom and ending with my clit. I wriggled and squirmed, and then he started sucking my clit while his finger slid in deeper and started stroking in and out. I've touched myself before, but I'd never felt anything like that! In minutes, I was cumming like crazy, pulling at his hair and grinding myself against his mouth.

He just groaned and lapped up my juices, then stood up and reached for his zipper. "You ever sucked a cock before, Jenna?" he asked, pulling his cock out of his jeans. It was huge, and hard, and just looking at it made my mouth water. I didn't want to admit I'd never even seen a real cock before, so instead of saying anything, I just slid down on my knees in front of him and started licking and sucking it like it was a big meat lollipop!

I must have been doing it right, because he just groaned and sat back down in the chair, his feet wide apart so I could get closer. I wrapped my hand around his cock and took the head into my mouth, sucking and licking all around it, watching his face to see if he liked it. For some reason, looking up at him just made him harder, and the feel of his big cock in my mouth made me ache all over again. I decided I wanted to taste his cum, and did whatever I could to make that happen! His hips were humping up from the chair to meet my mouth every time I came down, so his cock kept sliding deeper and deeper into my mouth.

"Take it all, Jenna. You're a natural little cocksucker, aren't you?" His hands gripped my hair and pulled me closer, and he slowly pushed his cock deeper until it pressed against the back of my throat. At first, I was trying so hard not to gag, but then I just sort of gulped and swallowed, and I guess my throat just opened up, because the next thing I knew, my nose was buried in his pubes, and his cock was halfway down my throat! My pussy starting throbbing, and I slid my other hand up under my skirt and started frigging myself while I started bobbing up and down on his cock, letting it sink into my tight throat over and over again.

"So fucking good!" Cal groaned, then his hands tightened in my hair and he just started fucking my mouth. After a couple of strokes, his cock swelled even bigger, then my mouth was just flooded with his hot, salty cum! "That's it, baby, take it all." He didn't have to worry about that. I loved the taste, and sucked and licked up every drop, and feeling it spurting down my throat made me cum all over again!

I always thought guys got soft after they cum, but I guess maybe I was so good at sucking cock it kept him hard, because after a few minutes, Cal lifted me back up onto the desk top and shoved my skirt up out of his way.

"You ever fucked in public, Jenna?"

I could still barely breathe, shaking and whimpering and so wet from cumming so hard, but I just wanted more! "I've never done it anywhere before!"

Cal's eyes widened behind those nerdy glasses. "A virgin? I thought you were kinda tight."

He leaned in and kissed me, hard, and I could taste

myself on his tongue. For some reason, that just made me want him to fuck me more than ever. His hard cock rubbed against my swollen, wet pussy as he kissed me, and all I could think was that I was wanted it inside me.

"Do you want me to stop?" he asked, pulling back a bit so the head of his cock teased at my opening.

I didn't have enough breath to answer. It just felt so good, I wanted more and more. So I put my arms around his shoulders and lifted up against him, moaning as his cock slid through that slick wetness until the head was inside.

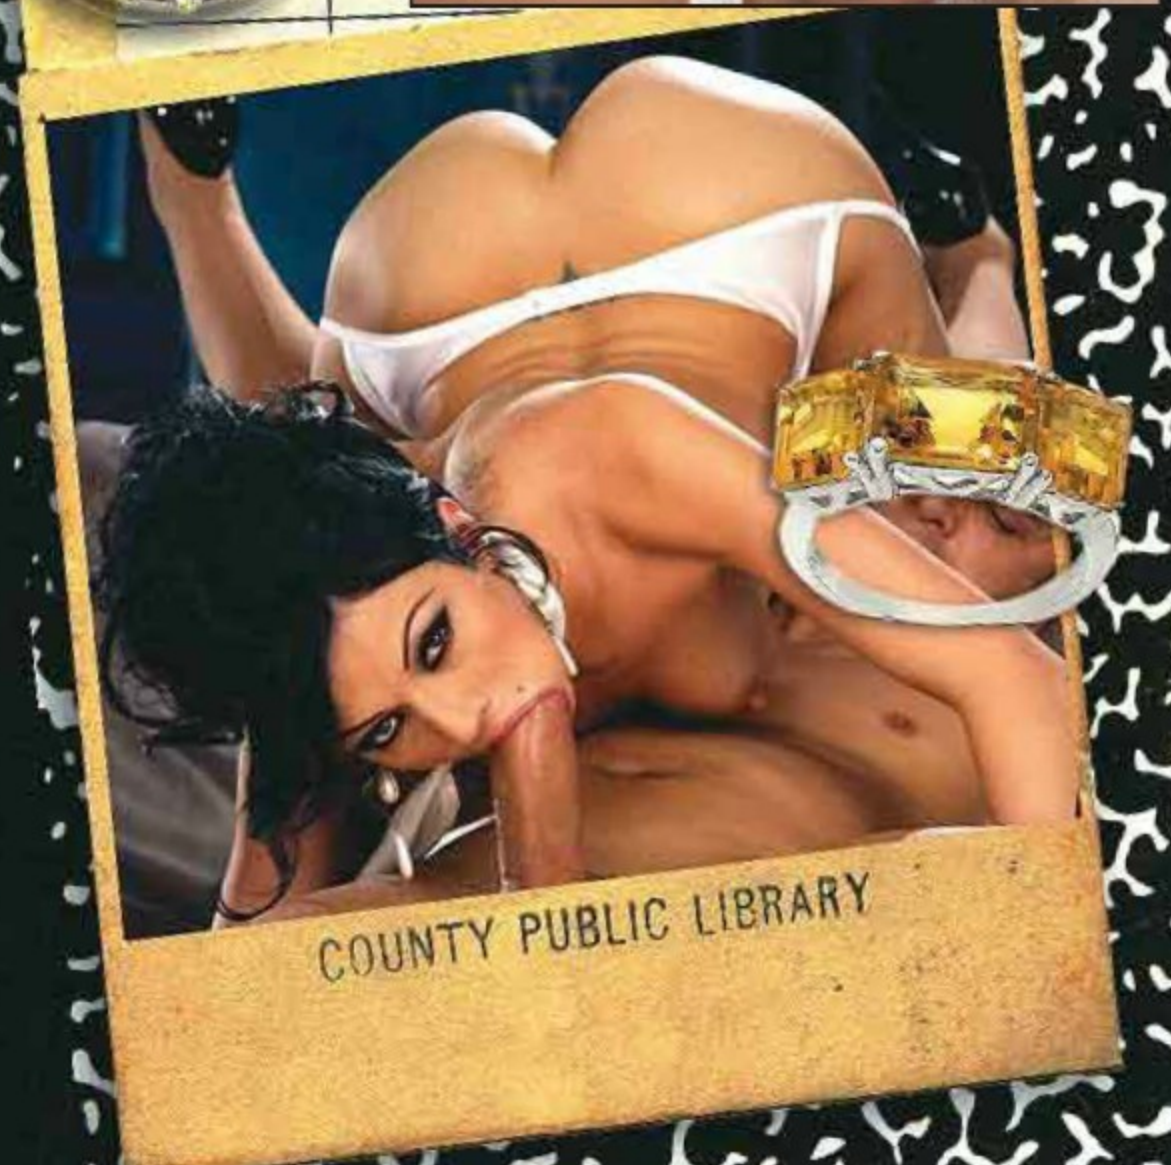

"That's it, baby. That's it. I'm going to fuck you, Jenna. Now!"

His cock drove deep into me, filling me with one hard stroke. There was this sharp little pain, but then all I could think of was the feel of his cock throbbing so deep inside me.

"So damn tight," he growled, pulling out slowly, and it felt so good I almost came again. His hand slid between us and started playing with my clit, while the other cupped my ass and he thrust slowly in and out. I wrapped my legs around his waist and just held on tight.

When I started cumming, he kissed me hard to muffle the screams of pleasure, but I'm sure everyone in the library heard me. I felt his cock swelling inside me, then cum running down my thighs and ass, and that just made me cum one more time!

Cal used my panties to clean me up, then tucked them in his pocket before walking me out to my car. He promised to help me with my paper for real next weekend, if I promise to leave my panties at home. I'll do it, but I don't really think we'll get much studying done! ¹⁸

Iezza

Tereza keeps her men on their knees; sucking on her toes and lapping at her clit!

I'm very mature for my age and very particular about the men I date; they have to be older leg men who make at least six figures. As I'm sure you can see, it's not a problem finding men to date. Like Zach, he's a lawyer. We went to his apartment, but I didn't let him fuck me right away. First he had to suck on my toes, and then lick up to my wet slit. Then I made him slurp on my clit until I came twice. When I finally let him fuck me he was so horny that he popped right away, but he stayed hard and did me again for about a half an hour. Now, that's my kind of man!

I just can't believe Marc dissed Rashelle's pretty little cunny. But, she sure showed him!

I let this dork, Marc, go all the way with me at prom and it was way bad. See, I went with my best friend but she ditched me, so I was feeling like shit. And when Marc started being nice, well, I kinda gave in. It wasn't all that fun but the worst part is that afterward he told every one at school that my pussy is ugly. Can you believe it? I cried for, like, days. But then I got this idea to send my pictures into Just 18. And they picked me! Ohmigosh, I was so happy! 'Cuz that means my pussy's pretty after all. And now all the guys at school will know it. Plus they'll know what a doinkhead Marc is!

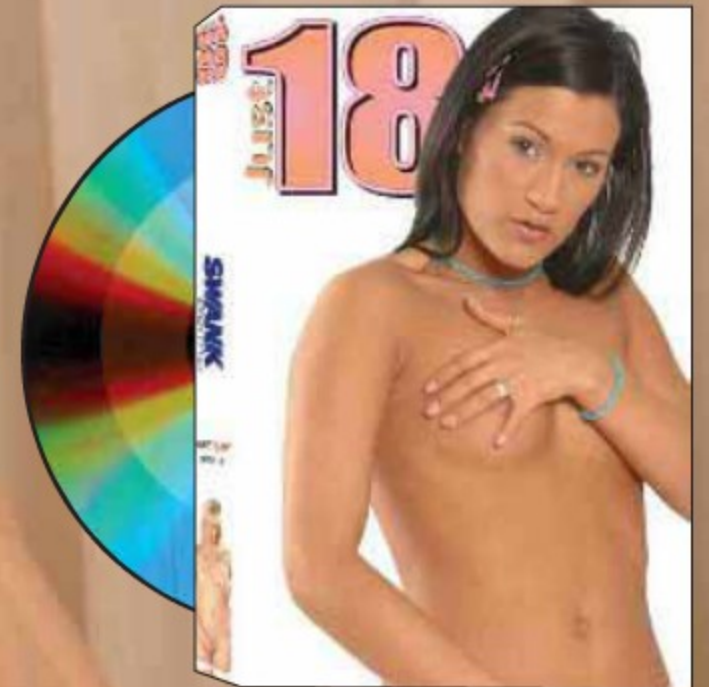

When the cum hungry girls of *Just 18* get together on film, you know you're in for a real cock-tugging treat! Dig it as Missy and her newly legal, dripping wet pals cram their fuck holes in *Just 18 #11*!

Summer

My friends and I are so immature, even though we're seniors. Like, we have sleepovers and play hide and seek in my yard real late at night. Only sometimes it's not all immature stuff. Once I was behind the lilacs and a girl came up behind me and started feeling my titties! I should have stopped her but she was squeezing my nipples and when she stuck her hand in my panties and put her finger on my clit all I could do was squeak! I was already squishy wet and man, she was rubbing really hard round and round. And, get this, she made me cum! I totally gooshed into my panties and everything. And I still don't even know who it was! So, who did me?

Thinking about stuffing his fingers up her dirty little hole makes him excited, too, I bet!

I'm only 18, but I've already let my hot new boyfriend do dirty things to me. Not, like, all the way of course, 'cause I think I'm too young! But he messes with my cunny, I even let him put his mouth down there. Oh, boy, does that feel good! Especially 'cause he stays down there way long, 'till I cum, even. Then I let him rub on my slit 'till he cums all over my belly. But we do something even dirtier. See, now I let him put his finger up my butt when he's licking me. It makes me cum so hard, especially when he does me with two fingers. It's like our little dirty secret and it makes me excited every time I think about it!
